UNTETHERED FAN ENGAGEMENT & SPONSOR INTERACTION

MOBILE & ROAMING PHOTO BOOTH UNITS

Untethered KissCam® photo capture built to move across stadium concourses, festival grounds, VIP suites, fan plazas and corporate activations. We bring the iconic KissCam moment straight into the crowd, with no footprint limits.

MODE 01

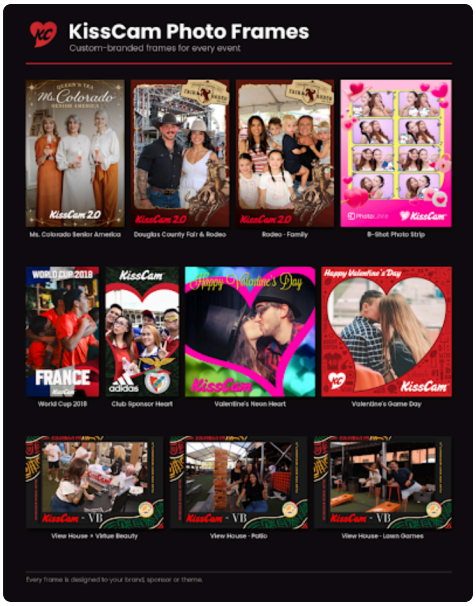

ROAMING HANDHELD UNITS

Lightweight handheld ring-light capture rigs run by brand ambassadors. They roam general admission concourses, tailgate fields and festival crowds to surprise fans right in their seats.

MODE 02

MOBILE PODS & POP-UP KIOSKS

Modular kiosks with quick setup and battery power. A compact footprint made for concourse corners, sponsor activation spaces, hospitality suites and busy fan plazas.

Every frame is matched to your team, title sponsor or festival theme while keeping the KissCam heart identity.

WHAT VENUES & SPONSORS CUSTOMIZE

- **Branded Overlays & Co-Branding**: sponsor lockups, corporate identities, match-day fixtures and official palettes.
- **Layout & Strip Formats**: single portraits, classic 3-shot cinema bursts and 8-shot fan strips.
- **Seasonal Filters & Badges**: Valentine's, rodeo, Pride, rivalry derbies and tailgate themes.
- **Social-Ready Sizes**: vertical video story cut-downs, square feeds and 4×6 prints.
