COMMERCIAL STADIUM-GRADE PHOTO BOOTH

THE KISSCAM® TURNKEY PHOTO BOOTH

An automated, fully branded photo experience built for arenas, concourses, festival grounds and corporate activations, turning crowd moments into keepsakes, sponsor revenue and fan data.

01 / THROUGHPUT

BUILT FOR STADIUM TRAFFIC

Rapid group capture keeps concourse lines moving. Industrial touchscreen and automated print dispenser.

02 / MONETIZATION

SPONSOR REVENUE

Branded frames become sellable inventory: co-branded “Presented by” lockups, rotating skins and tiered packages.

03 / FAN CAPTURE

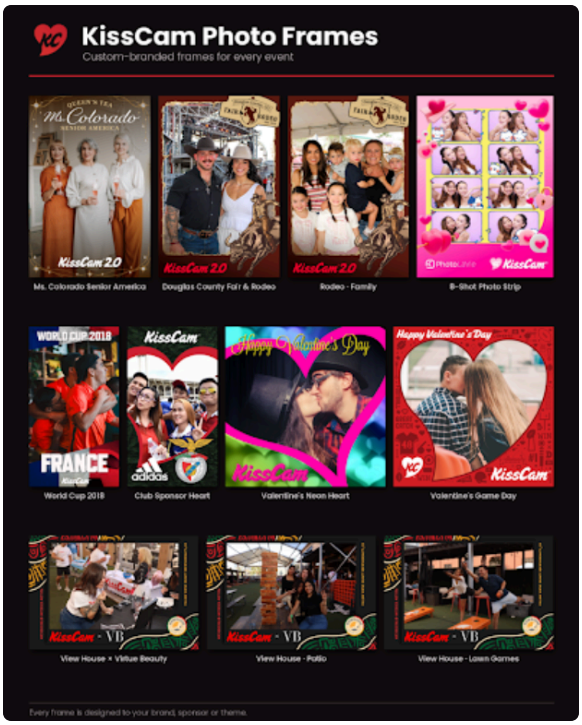

MULTI-CHANNEL SHARING

Instant QR, SMS, AirDrop and 8-shot strips or 4×6 prints. Compliant opt-ins sync straight to venue CRM.

04 / LOGISTICS

TURNKEY DEPLOYMENT

Self-contained, lockable, plug-and-play on a standard 110V/15A outlet. Optional 5G means no venue Wi-Fi needed.

Live frame examples: rodeo, pageant, World Cup, sponsor, Valentine’s & brand activations.

CUSTOM FRAMES & SPONSOR OVERLAYS

- **Game Day & Team Themes**: franchise colors, live matchup dates, mascot badges.
- **Dual Brand Co-Sponsor Placement**: sponsor lockups with trackable QR redemption.
- **Festival, Rodeo, Fair & Holiday Editions**: seasonal skins, Valentine’s, NYE and more.
- **300 DPI** print crispness · **real-time** cloud sync · **unlimited** sponsor variants.
